

BOY FOUND LOCKED IN ROOM IN PHOENIX

Kidnapped Youngster Restored To His Parents At Lexington—Abductor Disappears

(By Associated Press)
Lexington, Ky., Mar. 26—Paul Little, the 12-year-old son of E. R. Little, Lexington capitalist, ostensibly held for \$25,000 ransom, telephoned his parents this morning that he was locked in a Phoenix Hotel room and had been held a prisoner since Wednesday night.

His frantic parents, overjoyed at news of their son's safety, hurried to the hotel and took him home.

Investigation disclosed the room had been engaged in advance by a man registered as J. C. Cox, of Cincinnati.

At seven o'clock this morning the key for the room in which the boy was found, was turned in at the hotel desk. Fifteen minutes later Mrs. Little heard her son's voice over the wire.

"Mr. Cox" has not been found.

A maid on the sixth floor of the hotel said she had been unable to get into the room ever since the boy was kidnapped. She saw a man enter the room and described him as five feet eight inches tall, weight about 170 pounds, rather rough looking, wore a brown suit, soft black round hat.

She found in the room printed like the letter to Little demanding the \$25,000 ransom, bore the legend, "Do not disturb me, I am sick."

County Detective Ready who thinks the kidnapping plot was concocted in Cincinnati, expects an arrest at any time.

Weak from his experience, although physically unharmed, the boy was put to bed as soon as brought home. He said he had been given only two bananas, a cake, and an apple to eat and was constantly terrified with gruesome stories by his captor, who showed a pistol in his face. His captor was the only person he saw at any time although the man called another person on the telephone, addressing him as "Jack," saying "Well, he is here."

Ransom Was Ready

Although his terms had been carried out, and \$25,000 wrapped in a bundle, placed in a public garbage can in Lexington's business district, kidnappers failed to put in an appearance the night before. Thirty-five minutes after he had deposited the money, the father of the missing boy removed the bundle, which had not been touched.

The note demanding the ransom, delivered Wednesday night, a few hours after the kidnapping, ordered that the money be placed in the garbage can at 7:35 p. m., Thursday night. Although no statement could be obtained at the Little home, it was intimated that the boy was to have been returned by 8 o'clock.

Little went to the garbage can and deposited the money alone. After he had removed the bundle the father returned to his home. The house was darkened and no one was permitted to talk to either of the parents.

The money was placed in a garbage can in front of Woolworth's store on Main street, across from the court house.

LOSES DISTILLERY SUIT

Paris, Ky., March 26.—In the Bourbon Circuit Court W. H. Whaley, Jr., was given a verdict for \$6,500 against William A. Hamlin, of Louisville. Whaley claimed to have purchased the Julius Kessler & Company distillery property, near Paris, from Hamlin, who, it is alleged, afterward sold it to Carl Wilmoth. The court decided that the sale to Wilmoth was legal.

SHOOTING AT SHELBYVILLE

Shelbyville, Ky., March 26.—Joe Hansbrough was shot in the right arm by S. N. Chambers, of Harrisburg, yesterday afternoon in a difficulty over a horse trade at the stable of Luke Hansbrough, a brother of the wounded man. Chambers returned a horse, which he claimed was misrepresented when he bought the animal from Luke Hansbrough. During an argument it is alleged that Chambers drew a revolver, which was fired when clutched by Joe Hansbrough. Chambers was arrested on charges of wounding and shooting, and carrying concealed a weapon.

NINTH ROBBERY OF KENTUCKY BANKS

(By Associated Press)
Hodgenville, Ky., March 26.—The First National Bank of Buffalo, near here, was entered early today, the vault door blown open a number of safety deposit boxes rifled and about \$1,000 in Liberty Bonds and war savings stamps taken. The bank's cash in the safe was unharmed. This is the ninth Kentucky bank robbery in a few months.

Frost Gets Federal Place

(By Associated Press)
Louisville, March 26.—Collector of Internal Revenue Elwood Hamilton, today announced the appointment of W. A. Frost, of Wingo, Graves county, as chief field deputy for Kentucky, one of the most important positions in the service. He succeeds J. Morgan Chinn, who returns to the post of Internal Revenue Agent at Lexington. Frost is a former State Senator from the Fulton-Hickman-Graves district.

ROUND HILL

Our farmers have been very busy burning tobacco beds this week. Quite a number attended the sale of Mr. James Pond Wednesday and everything brought a good price.

Mr. Joe Whitlock was very sorry that he didn't get the fine fox hounds that were sold, but they went too high for his pocket book.

Miss Henry Prewitt is on the sick list.

Miss Bess Long was guest of Miss Anne Mae Prewitt Wednesday night. Mr. and Mrs. O. L. Arnold and Miss Mae Harp motored to Richmond Thursday afternoon.

Miss Nancy Long has accepted a position at Mr. J. & C. P. Wager's store.

Mr. Joe Whitlock has been very busy papering and painting Mr. W. H. Smith's store making quite an improvement.

Mrs. Harvey Estes has returned home after spending several days with her father.

All the pupils of the Kirskeville High School regret very much to see Miss Lina Jane Pond leave for she was such a chum among them all and especially the high school girls.

Mr. L. Tudor sold a fine milch cow Thursday for a fancy price.

There will be a many sad face worn by the girls when Mr. Luther Pond departs for Indiana for he is a very charming young fellow.

Mr. Otto Moberly from Spoonville, visited friends here Tuesday.

Our village is quite a town now since more electric lights have been put in Mr. W. H. Smith's store by Estes Bros.

May Finch, colored, of Hopkinsville was sent to the asylum after she was found by her husband standing in a pond over the body of her 18-month-old baby who had been drowned accidentally or intentionally by the demoted woman.

MRS. W. E. LUXON LOSES AGED GRANDMOTHER

Mrs. Margaret Kincaid, mother of Mrs. Gourley, wife of Judge G. W. Gourley, died at the home of her daughter in Lexington, Wednesday night at 11:45 o'clock after a protracted illness. She was 88 years and four months old. She was the grandmother of Mrs. W. E. Luxon, of this city, who is a daughter of Mrs. Gourley.

Besides her daughter, Mrs. Gourley is survived by one son, George Kincaid, of Beattyville; eight grand children and eleven great grandchildren. She was the daughter of Benjamin McGuire, whose father was one of the pioneers of Fayette, now Lee county, emigrating from near Indian fields about the year 1799, it being then a wilderness, and settling on the Middle Fork of Kentucky river in what is now known as the Horse Shoe Bend. About 1830 he emigrated to Missouri, where he died. Her father, Benjamin McGuire, married Demia Mann, and to their union were born eleven children. Mrs. Kincaid being the third from the oldest. Four sons were in the Civil War and only one returned. Only one of the eleven children is now living, M. McGuire, of Beattyville.

The funeral services were held Friday afternoon at 2 o'clock at the Gourley residence, conducted by Rev. I. J. Spencer, assisted by Rev. Thomas B. Roberts. Interment was in the family lot in the Lexington cemetery.

INSURANCE MEN PROTEST CUT ON TOBACCO RATE

Action of the Kentucky Actuarial Bureau in reducing the rate on hoghead tobacco in storage about 20 per cent, retroactive to cover insurance from November 20, 1919, has been made the subject of protest by some Kentucky insurance Department at Frankfort. It is asserted a big Eastern brokerage concern is responsible for the reduction on account of its contract with the American Tobacco Company to insure all its tobacco in Kentucky. W. F. Klair, Lexington, was in Frankfort to see N. O. Gray, superintendent of rating, and State Auditor John J. Craig. With T. M. Goodloe, actually for the department, they conferred with Attorney General Dawson, who will give the department an opinion this week.

CONFEDERATE HOME DESTROYED BY FIRE

But Insurance Will Cover Loss—Veterans May Find Quarters At Camp Taylor.

(By Associated Press)
Louisville, March 26.—Colonel Win. Milton, president of the Confederate Home, destroyed by at Pewee Valley by fire last night today went to Camp Zachary Taylor, to request quarters there for the veterans until the institution is rebuilt. Major John Leathers, member of the Home's executive committee, said the \$55,000 insurance on the structure is sufficient to cover the loss. The two main buildings were destroyed. The principal building, a huge three-story structure, and the hospital building were destroyed.

One hundred and twenty inmates of the Home, who were in the building at the time the fire started, escaped. Forty inmates of the hospital also escaped.

The fire spread to the residence of G. T. Blackley, which also was destroyed.

Swept by a high wind the fire spread rapidly among the frame structures, and intense excitement prevailed.

Residents and farmers for miles around went in haste to the scene to give aid, and fire apparatus from Louisville quickly was despatched. A number of the aged men at the Home were terrified by the fire and were sheltered and cared for at residences in the neighborhood.

The fire started at the dinner hour. A number of the more robust veterans hastened to aid their infirm comrades.

READY FOR LEGION DRIVE TO START

Excitation over the success thus far achieved in the organization for the drive next week for Kentucky's American Legion Fund has marked the activities during the last few days of the Citizens Campaign Committee.

Practically every county in the state has reported organization and only a few of the congressional districts are incomplete.

In Louisville approximately 500 men and women will take part in the canvassing, meeting having been arranged for the latter part of the week to impart final instructions.

Montgomery county in the Ninth District has announced that it has over-subscribed its quota without waiting for the official opening drive Monday.

Posters advertising the campaign have been sent throughout the state and moving picture theatres have been requested to run slides urging the public to subscribe to the fund.

"This campaign affords the first opportunity for Kentucky citizens to back the American Legion," declared Mr. Hert. "It is an organization that is worthy of our support and is the only organization body of men strong and brave enough to fight the present situation facing us in America."

IN OLD KENTUCKY

At Salvisa, S. S. Ransdell, 67, was convalescent from influenza and able to sit up, when he suddenly exclaimed "Herbert has come for me; I must go," and lay back dead. His son Herbert, 20, died several months ago.

FROM DR. TELFORD

Dear Mr. Editor:—

It would be vain for me to attempt to thank the kind friends who participated in the wonderful gift presented to me yesterday.

For I can never express in words or repay in deeds the obligation of love I owe the people of Richmond and of Madison.

They have enriched my life with friendships dearer to me than all other gifts.

The new church and the lovely new car has run my heart over.

Out of a very full heart may I say to these kind friends—may God bless you.

HIT ANOTHER GOOD WELL IN ALLEN

Richmond Oil Company On Way To Good Dividends With Two Wells Already In

Stockholders here of the Richmond Oil Company were made happy again the other day when news came from Allen county that the fourth well on their tract had come in a good producer. This makes the second well that this company has brought in that bids fair to pay mighty nice dividends on the stock that the local people have in the company. In fact, the stock is practically all owned here. Prof. G. D. Smith, of Eastern Normal, promoted the company, and secured the lease, and his judgment has been well vindicated by the returns.

The Bowling Green News said this week that another company in which local people are interested has a good well in Warren. That paper said: The Chenault Oil and Gas Company report a good well which will produce between 15 and 20 barrels daily, on the Young lease known as the R. C. P. Thomas farm in the Ridge on the Morgantown pike. The depth of this well is 1,212 feet. It was shot with 100 quarts of nitroglycerine.

Advices from Lexington are that the directors of the Pyramid Oil Company in a meeting at Louisville Wednesday authorized a quarterly dividend to 5 per cent instead of the usual 15 per cent distribution. This dividend will be paid stockholders on April 1st, of record March 25. The reduction of the dividend was attributed to two causes, namely, developments needs and the government excess profits tax. J. R. Mace, superintendent, said that the company's Lee county productions were holding up better than any other company's in the field and that the company had a daily production of 250 barrels in the Osage fields of Oklahoma.

Quite a number of Richmond investors are interested in the Pyramid company.

Security Producing and Refining Co., reports well No. 1 on the M. M. Estes farm in Lee county, a 50-barrel producer.

Mildred Oil Company's well 23, Little B. Watson lease, Powell county was finished in the corniferous and is making five barrels.

Hudson and Collins have completed well No. 2 on the Taylor Gilbert heirs farm on Hell Creek, Lee county, and it is making four barrels after the shot.

Well No. 1 of S. B. Hill et al. Francis Holm, Menifee county, is completed in the corniferous sand and will make 25 barrels. It is 300 feet northeast of the Big Elk Company's well No. 5, on the Dorsey Ratcliffe farm and 450 feet southeast of Prosperity Oil and Gas Company's well No. 3, on the Pete Brown.

THIS LITTLE WOMAN GAINED NINE POUNDS

Says She Is More Grateful To Tanlac Than Words Can Express For It Brought Her Health and Happiness.

"I am more grateful to Tanlac than words can express for it has given me health and happiness after twelve long years of suffering," was the statement made the other day by Mrs. Olivine Peltier No. 26 East Allen street, Winoski, Vt.

"I had been troubled so long with nervousness and sleeplessness that my housework was a drudgery and I got little pleasure out of it. My appetite left me entirely at times I could hardly bear the sight of food and what little I did eat caused me severe suffering afterward. Gas would form on my stomach so badly that it affected my heart and I thought I had heart trouble. I was so nervous I would jump at the least unexpected noise and would drop everything I had in my hands. I got so weak and faint at times, that I would have to catch hold of something to keep from falling over. My sleep was broken and restless and I was losing weight rapidly. I had little strength or energy and as I had tried all kinds of medicines without relief, I had become very much discouraged over my condition."

"My husband had been taking Tanlac and when I saw what wonderful results he was getting I decided to try it myself and now I think as much of Tanlac as he does because it has helped me the same way."

MRS. OLIVINE PELTIER
of Winoski, Vt.

I decided to try it myself and now I think as much of Tanlac as he does because it has helped me the same way.

"My appetite has come back and everything agrees with me perfectly. I am taking on weight rapidly and have already gained nine pounds; in fact I feel perfectly well in every way. Tanlac has done wonders for me and I am only too happy to tell others about it."

Tanlac is sold in Richmond by Stockton and Son.

date for Congress will be brought out in each District."

The Herald goes on to give the details of these "arrangements" which the Republican bosses in Kentucky are making. In the First District the "harmony" program has already been agreed upon and "The entire party organization is to get behind one candidate." In the Fourth District, all possible entries are to be sidetracked for Judge Haswell, who is the bosses' selection. In the Sixth District, "the leaders are endeavoring to unite on some strong candidate to oppose Congressman Rouse." In the Ninth the way is not so easy, but, according to the Herald, it may be cleared up and only one candidate aspire to the Republican nomination.

Finally, the United States Senatorship must be disposed of. There are at least a half dozen prominent Republicans who would like to become candidates for that nomination—men like Gov. Willson and Judge Kerr and Judge Bethune—but as the crowning achievement of this "harmony" scheme "some leaders predict," according to the Herald "that there will be only one starter in the United States Senatorial Derby this fall."

In days gone by the great mass of the voters, even in the Republican party, were supposed to have some little voice in naming their party nominees for high offices, but not so in Kentucky under the reign of A. T. Hiett. The idea of the average voters having intelligence and patriotism enough to take part in nominating candidates for Congress and for the United States is repugnant to his finer sensibilities. It is the "leaders" who are to be entrusted with this work, and when matters reach the stage have only one candidate for them to consider. All others are to be warned off the grass.

The people of Kentucky may like this sort of boss rule, but we do not believe it. They may want an organization the most boss-ridden ever known in Kentucky advance, and without consulting them, but we believe they prefer to do it themselves.

Western Electric POWER and LIGHT

The Western Electric Company being one of the largest manufacturers of electrical equipment in the United States, is already well known to a large portion of the public. Their great success in the electrical field lies in the fact that the Quality of their products speak for themselves.

We will have a full line of Western Power and Light outfits, water systems, and all the labor-saving devices in connection with them. We have no hesitancy in saying that if you have need of anything in this line it will pay you to take a look at what we have to offer.

Electricity is now more necessary on the farm than in the city man's home, for the farmer can put it to work that the city man has no need for it to do around his home.

Don't be satisfied with anything but the best.

CITY FIREMAN HAS MADE GAIN OF 20 POUNDS

Had Flu and Lost 48 Pounds Before
He Started Taking
Vola-Tonic

Fireman J. W. Jones, of Company No. 21, Cincinnati Fire Department who lives at 1844 Westwood avenue, Cincinnati, has gained 20 pounds weight since he started taking Vola-Tonic "Builder of Strength."

"I was in a seriously weakened run down condition when I got over influenza last winter and I kept losing weight right along until I lost 48 pounds in all," Fireman Jones said.

"My appetite was almost completely gone and the little food I did eat didn't agree with me and didn't do me any good. Gas formed on my stomach after every meal, and I was troubled with constipation, too. I had headaches nearly all the time."

"I have an excellent appetite since I have been taking Vola-Tonic and everything I eat digests perfectly. As a result, I have gained 20 pounds. The constipation has disappeared and the headaches have left me."

"My wife took Vola-Tonic also after she had influenza, and it made a new woman of her. Both of us are satisfied that Vola-Tonic is just what we needed."

Thousands of men and women praise Vola-Tonic just as highly as Fireman Jones does because of the strength and better health they have derived through its use. If you are feeling weak and run down try this medicine that has helped so many others.

You can get Vola-Tonic in Richmond at the Richmond Drug Company.

Mother! Teach the Children Their Daily Health Duty

You can't be too insistent!

FEW children find pleasure in the things most vital to their physical comfort and health, so it rests with the watchful mother to see that they are done. The child will be grateful in after years.

Chief among the functions necessary to the upbuilding of the little body, so that it will not be a dyspeptic, constipated body when it matures, is elimination regularly every morning. If the mother will be insistent and allow nothing to interfere with it, it will soon become a habit, a daily routine that will not be forgotten throughout life.

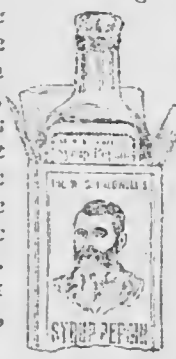

There are times, however, when nature will not operate unaided. Then give Dr. Caldwell's Syrup Pepsin, which is a combination of simple laxative herbs with pepsin, and the headaches, the biliousness, the torpor will quickly disappear. It acts gently and without griping, and as it contains no narcotics and is pleasant to the taste, it may

be given to infants. Thousands of families have been regulated to healthy maturity with Dr. Caldwell's Syrup Pepsin.

A bottle can be bought at any drug store. In a large family there is always someone who would feel better for a dose of a most reliable like Dr. Caldwell's Syrup Pepsin.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest

selling liquid laxative in the world, these being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington Street, Monticello, Illinois.

SOCIAL AND PERSONAL

Local Girl Honoree of Beautiful Reception

An Albuquerque, New Mexico, paper had the following of interest here, in its society column the other day:

One of the prettiest and most elaborate of the spring function was the reception given by Mrs. L. G. Rice, Thursday in honor of her sister-in-law, Mrs. Dudley McCormick of Amarillo, Texas and her niece, Miss Zelia Rice of Richmond, Kentucky, who are visiting Mrs. Rice. Rice's home opened most attractively to receive the throng of ladies who called during the afternoon. More than one hundred and eighty invitations having been sent. The reception hall was fragrant and lovely with pastel-shaded sweet peas; the parlor was gay with that enchanting shade of deep red and white sweetpeas, with an attractive little flower of the same color, whose name we do not know, while the dining room was a springtime symphony in yellow and white jonquils. The color scheme was carried out even in refreshment, sandwiches, ice cream, mints and cakes, all being yellow and white. Mrs. Elsie Anderson, the harpist, played softly throughout the afternoon selections from grand opera and favorite airs. The Alpha Chi Omega girls assisted in the dining room, where Mrs. Shortle and Mrs. Tull poured, assisted by Miss Gladys Rye and Mrs. Blunder. The hostess was assisted by the Mesdames D. S. Hill, Lowber, Milne, Brechner, Wylder, and L. A. Rice. A collection of new gowns and hats, which fully advised one that spring had really arrived sartorially, came and went during the afternoon.

Everyone must occasionally give to the bowels some regular help or suffer from constipation, bilious attacks, stomach disorders and sick headache. But do not whip the bowels into activity with harsh cathartics.

What the liver and bowels need is a gentle and natural tonic, one that can constantly be used without harm. The gentlest liver and bowel tonic is "Cascarets." They put the liver to work and cleanse the colon and bowels of all waste, toxins and poisons, without griping—they never sicken nor inconvenience you like Calomel, Salts, Oil or Purgatives.

Twenty-five million boxes of Cascarets are sold each year. They work while you sleep. Cascarets cost so little, too.

SHOULD A WOMAN LAY BARE THE PAST?

Or Has a Girl Who is About to Mar-
ry the Right to Keep Her Own
Secrets?

Mazie was troubled—heart, mind
and spirit.

Day and night she wrestled with
her problem.
She was not the girl George Gra-
ham thought her to be. And he was
asking her to be his wife—he a man
of wealth, position and sterling char-
acter.

Was she to tell him the truth about
herself? Was she to risk the loss
of his confidence, his respect, his very
love itself? Could she do it?

Or should she go on with her living
lie? Should she stifle the persistent
murmur of conscience and let the
dead past bury its dead?

She sought the counsel of another
woman—a woman with a daughter
as old as Mazie herself.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands
since Dr. Edwards produced Olive
Tablets, the substitute for calomel. No
gripping results from these pleasant

never force them to unnatural action.
Dr. Edwards' Olive Tablets are a
soothing, healing, vegetable compound
mixed with olive oil.

If you have a bad taste, bad breath,
feel dull, tired, are constipated or
bilious, you'll find quick and sure re-
sults from Dr. Edwards' little Olive
Tablets at bedtime. 10c and 25c a box.

Nasty Colds

Get instant relief with
"Pape's Cold Compound"

Don't stay stuffed-up! Quit
blowing and snuffling! A dose of
"Pape's Cold Compound" taken
every two hours until three doses
are taken usually breaks up a
cold and ends all gripe misery.

The very first dose opens your
clogged-up nostrils and the air
passages of your head; stops nose-
running; relieves the headache,
dullness, feverishness, sneezing,
soreness, stiffness.

"Pape's Cold Compound" is the
quickest surest relief known and
costs only a few cents at drug
stores. It acts without assist-
ance. Tastes nice. Contains no
quinine. Insist upon Pape's!

"I can't go on with this deception!
I must tell him the truth!" cried
Mazie, torn by the conflict of her
emotions.

And the elder woman spoke—out of
the depths of her experience—from
the height of her mature years:

"My dear every woman has a right
to her own secrets. If all of us bare
the past, why—"

If Mazie had heeded that advice—
well, "The Hellion" would have had
a very different story to tell!

But it is a wonderful story as it
stands—a screen drama that is
startling and thrilling, vivid in its
emotion, compelling in its suspense,
sensational in its development. It
will be shown here Saturday.

PRESBYTERIANS SEEK TO ESTABLISH FAMILY ALTARS

The Southern Presbyterian church in this synod has engaged in an unique movement, which has for its object the establishing of family altars. While one of the objects of the denomination's progressive program is the raising of a large sum of money, it is not the chief one.

The custom of family prayers has been slowly dying in southern homes for the past twenty years and the church has set about to bring it back. A great awakening of spiritual life is hoped for as the result of the

The Proof of Quality is Result

The way the General Tire's reputation has grown into a National demand amazes nobody. On the "inside" in Akron, where there are no secrets, the General is undeniably great.

One of the chief features of the General's success is the way its reputation spread outside of Akron—by mouth-to-mouth from user to user, resulting in National recognition which it has won on its superior Quality.

Results made known by users themselves are the General Tire's greatest advertisement—the proof of its Quality.

family altar movement.

Evangelism has a large place in the Presbyterian program and the church expects to secure at least 50,000 new members. Series of evangelistic services are being conducted in a large number of southern states, all leading to an awakened religious conscience.

The church has also engaged in a great movement for securing new Sunday school students. According to figures compiled at headquarters of the campaign, there are in the United States, 28,861,000 young people under twenty years of age untouched by Protestant Sunday schools. Of this number one-half are in the south. The Presbyterian church expects to enroll at least 40,000 new students in its Sunday schools, and hopes that a much larger number will be secured.

One of the big factors in promoting the success of the Presbyterian movement is the woman's auxiliary composed of women from all over the south. There is a woman's organization in every presbytery. Usually the Presidents of the presbyterial auxiliaries act as Vice Presidents in the synodical organization. Mrs. Helen P. Winsborough of St. Louis, is Superintendent of the auxiliary.

Thomas Metcalf, of Danville, sold his Lincoln county farm of 336 acres to Bruce Tewney, Mercer county, for \$70,560.

William Manby, Jr., champion boy pig-grower of Oldham county, sold the hog on which, as pig, he had received \$65 in premiums, for \$250.

WHY COLDS ARE DANGEROUS

Your are often told to "beware of a cold," but why? We will tell you: Every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases. People who contract pneumonia first take cold. The longer a cold hangs on, the greater the danger, especially from the germ diseases, as a cold prepares the system for the reception and development of the germs of consumption, diphtheria, scarlet fever and whooping cough. The quicker you get rid of your cold, the less the danger of contracting one of these diseases. Chamberlain's Cough Remedy has a great reputation as a cure for colds and can be depended upon. It is pleasant to take.

"IT'S JUST GRAND" SAYS MRS. ROGERS

Could Not Eat Meats or Bread For Two Years—Gains 18 Pounds Taking Tanlac

"No one could see the wonderful change in me and doubt that Tanlac is just a grand medicine," said Mrs. Louise Rogers, of 4017 Brooklyn Ave., Los Angeles, Cal. Mrs. Rogers formerly lived at Wenatchee, Wash., where she is also well known.

"My health was so bad for years that I became almost a physical and nervous wreck," she continued. "I had nervous indigestion, disordered kidneys and other troubles. I was perfectly miserable and for over two years I could not eat any bread, milk or meat, and had to live on the very lightest of foods. I suffered so that sleep was almost impossible and I felt off to a mere shadow of my former self. I was under constant treatment for eighteen months but kept getting worse instead of better. I nearly gave up all hope and my husband, too, thought, I was going to die. He decided to send me to a health resort, but I was so low I had to be carried and have an attendant all the time.

"It was then that a lady from Vancouver persuaded me to try Tanlac and it was just three days before I noticed a change for the better. I have now taken five

bottles, have gained eighteen pounds and all of my old troubles are gone entirely. I eat three good meals every day and sleep like a child all night long. I just want to tell everybody what a great medicine Tanlac is."

Tanlac is sold in Richmond by Stockton & Son.

ZARING'S MILL

Where is Relief From Blazing Skin Diseases?

Must I Endure Forever the Torturous Itching?

The skin is fed from the blood, and upon the condition of the blood depends whether or not your skin will be healthy and free from boils, pimples, scaly irritations, red eruptions and other disfiguring and unsightly disorders.

The sensible treatment that will show real results is a remedy that

will cleanse the blood thoroughly and kill the germs that cause the trouble. And for this purpose no remedy ever made can approach the record of S. S. S. which cleanses the blood of the disease germs, at the same time building up the general health.

HEARD ABOUT TOWN

Miss Louisa Lee, the accomplished daughter of Mr. George Lee, of Danville, and sister of Mrs. G. Murray Smith, of Richmond, has asked for a passport to Panama, to which country she expects to sail about April first. She will go there to visit her brother, Lieut. David Lee, of the United States Navy, who has been stationed there for the past several months. Information comes from there that Lieutenant is delighted with the Canal Zone and wants his sister to come and enjoy some of the delights of that wonderful place. She will sail from New York.

Here is good news. Big discount for the next eight days on New Singer Sewing Machines for cash. Will discount 30 per cent from listed prices on any New Singer Machine from now until April 6th of next month. We are going to sell 25 Singer Machines this month and to get these figures we are giving you this special discount for cash. Remember until April 6th of next month this cash discount is good at the Singer Office at Richmond, Ky. 74-6

The Danville Advocate says that their ardent friends in Danville will deeply regret to learn that Mr. and Mrs. James Taylor Hughes contemplate moving to New Mexico or Arizona to make their future home. Mr. Hughes' health has not been the best for the past few months and it is believed that a stay in that health-giving climate will work wonders for him. Danville will suffer a distinct loss when she loses this charming young couple. Mr. Hughes is a son of the late Judge John W. Hughes. Mrs. Hughes is a daughter of Mr. and Mrs. Robert Harding.

Messrs. Rowan Sanfley and Joe T. Embry, of Stanford, were in town Friday. The former was returning from a big moonshine raid in the mountains.

Introducing The New Modes for Easter

They are poetry-lyrics of line-magnificence of color. Or—to think of there is another way—they suggest the opening of a rose in the morning, dainty and fresh, though with a bit of maidenly restraint.

And the colors? There is a new glint of happiness—a new dash in the cut of garments and a new freedom of color. But the colors are those one sees at daybreak before—not after—the sun has climbed up beyond the rim of the world.

The whole splendid array affords adequate selection for early choosers of the New Modes.
